Named LIFE MEMBER to LBA on Aug. 1,

We are proud to include the following letter received from his son a short time after Mr. Fischer's death. We are happy that we in some way had made life worth-while for Mr. and Mrs. Fischer. For those of you who do not know--Mrs. Fischer was buried one week after Lyle's funeral.

Lorain Bowling Association
c/o John J. Doslak

Dear John:

Perhaps one of the things I remember most about mom and dad both, is how young their thinking stayed as compared to many people their age. This is attributable only to their association with the members of the LBA. Both were accepted as they were and the obvious differences in their ages and the ages of the other members of the LBA were of no consequence. To be treated as people much younger than the calendar indicates, had a lasting effect on both.

There is a lesson to be passed on here. It should be our duty to impress on our children the importance of being nice to older people. It will make life easier for us and each succeeding generation.

To review the general impression of bowlers prevalent some years ago:

1. Not the "American type" image; 2. Hard drinking; cigar smoking;
3. Spend the money on bowling and let the kids go hungry.

Let's know them as they actually are, particularly in Lorain:

1. Hard working; 2. Loyal to friends; 3. Good family man; 4. The friendliest people in the world; 5. God and America are sacred to them.

My father had many things to be thankful for in his life time. One of them was to become involved and become a member of the Executive Committee of the LBA. He didn't know it at the time, but this involvement made the later years of his and mom's lives very enjoyable--more so than they might have been.

Many thanks for furnishing Pell Beers--I don't know if I told you but that was dad's request.

Sincerely,

S/ Earl & Lucille Fischer

To the Bowlers and Officers of the
Lorain Bowling Association

Gentlemen:

I would like to take this opportunity to thank all officers of the Lorain Bowling Association for their co-operation in the 1972-1973 season. It has been a source of great pride to have served as President of such a fine Association.

To the Committee and all those who helped to make the banquet the huge success that it was, I say "thank you".

The City Tournament was a great success. Tournament records that were shattered, certainly proved that there are some great bowlers in Lorain.

I would like to thank John Doelak and his wife, Margaret, for the hard work and long hours they put in to further our successes.

To the new President, Paul Burgdorf, and all his elected and appointed officers, best wishes for a successful season; and by virtue of my being given a lifetime advisory post, he can depend on me for any help he needs.

Norman L. Groner

Norman L. Groner, President
Lorain Bowling Association

To League Officers and Members of the Lorain Bowling Association:

In this book you will find all data that is pertinent to the sport of bowling by and for the bowlers of the Lorain Bowling Association. The LBA is comprised of 112 leagues made up of 1,281 teams. The total membership (men Only) of these teams is 6,469 bowlers. Of this number, 4,809 are original sanctions, and 1,580 are bowlers who bowl in more than one league. The net result of these figures reflect a loss of 2 leagues, 1 team, 84 sanctioned bowlers, and a gain of 40 multi-league bowlers.

MERITORIOUS ACHIEVEMENTS

This year we had 2 bowlers who joined the ranks of those who have bowled perfect games. Our congratulations for this achievement goes to STEVE MENDIOLA, a 146 average bowler who rolled his 300 at Andorka's on Mar. 5, 1973; and to NORWOOD BARTLOME who rolled his perfect game at Broadway Lanes on Apr. 25, 1973. Art Csontos had a near miss in registering a 298 game at Aquemarine on January 17, 1973.

The high 3 game series was rolled by Jim Ragnoni at Broadway on May 3, 1973. His score of 784 is the fourth highest series ever rolled in this Association's history. Worthy of mention also, is Dave Mead's 780 rolled at Saxon on January 5, 1973.

The high average laurels for the year go to PETE KALLAS for his 216 average established in the Gene's Floor Covering Classic league. He also had "200" averages in Saxon Social - 212; Saxon B - 205; and Franks' Radiator Classic - 203.

Other "200" average bowlers are: Jim Ragnoni--Andorka Classic, 210; Gene's Floor Covering Classic, 205; Franks' Radiator Classic, 204; Bob Kuhl--Franks' Radiator Classic, 203. Al W. Black--Andorka Classic, 206; Gene's Floor Covering Classic, 203; Franks' Radiator Classic, 200. Jim Lavonn--Andorka Major, 203; Andorka Classic, 202. Jim Gallagher--Andorka Classic, 202; Eagles, 200. Don McKinnon--Broadway A, 201.

CITY TOURNAMENT

This year's tournament was a success from the standpoint of entries as well as bowling ability. We had 148 teams, 259 doubles, 518 singles and 414 all-events participating for a total prize list of \$7,017.00. Records were broken in Team Actual--Rebman Recreation - - -3142; Doubles Actual--Al W. Black, Mike Amato - - -1358; Singles handicap--Ben Lese - - -783; and Singles Actual--Ben Lese - - -750.

COMMENTS TO SECRETARIES, LBA OFFICERS AND LANE MANAGERS

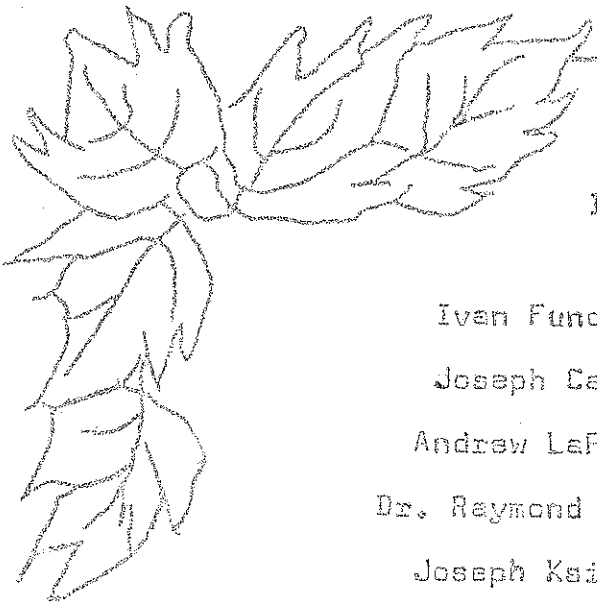

By far and large you have done a good job, however, there are still some who drag their feet when applying for sanctions and turning over the final average sheet to me. There is a lot of work necessary to bring these operations to a successful end. We are limited by time in performing our functions on schedule if you do not perform on schedule. To be very frank, I can see no excuse whatsoever, in not completing and turning over the final average sheet to me within one week after the season ends. The following leagues--Lake Erie Lanes Hdcp. and Thursday Night Couples (Slovak Lanes) whose season ended on May 1 and April 26, 1973 respectively, are not represented in this book because the secretaries failed to get the final sheets to me. If a bowler's average is missed by me, I will correct the error. If a secretary fails to meet his obligation the bowler's average is lost.

Norm Groner served as president during this past year, and he did an outstanding job in the position. My thanks to him for all his help. To the other LBA officers, I owe a tremendous thanks for their work during the year. They all serve without pay, but they perform like they were receiving top dollar.

Thanks to the proprietors and managers for their cooperation.

Sincerely,

John J. Doslak, Secretary
