Bowling Performance

History

Jesse started bowling at age 14 as a junior at Rebmans in 1988. He bowled 5 years in the Junior Tournament Bowling Association and had two second place finishes. From age 14 to age 20 he worked at Croation Club Lanes and practiced to develop his bowling skills. At the age of 18 Jesse also began working at Rebmans. This enabled him to refine his bowling skills in preparation for bowling as an adult. In the fall of 1994 he bowled in the Rebman's Doubles Classic League and won his first league championship with Kel Johnson. He won the Slovak Singles Tournament in December of 1994 at age 20.

In 1994 Jesse joined the LBA board as an advisor. He was elected as executive director and then four years as LBA vice president. During this four year period, he was chairman of BVL, County Roll-off, Hall of Fame Banquet, and served as 1st vice president. Jesse became LBA President during the 2004-05 season. Jesse has 17 tournament championship titles in his first 18 years as an adult bowler. Quite an accomplishment!
