Bowling Performance

History

Ralph started bowling in 1984 and carried a 164 average. He quickly moved his average up to the mid 190's by the 1990-1 season by becoming a student of the game. He shows his dedication to the sport by working with other bowlers to improve their skills and he practices regularly to improve on his own skills. Ralph's smooth delivery and quiet demure do not show his very real competitive nature. Ralph bowls in 6 leagues locally and bowled on the ABT tour in 1996. As a team member he has numerous league championships.
