The following officers of the Executive Committee of the Lorain Bowling Association, would like to take this opportunity to wish all the bowlers, alley proprietors, and alley managers, the best of luck for the coming 1951-1952 bowling season.

This coming season the American Bowling Congress will send out modified rule books to all team captains. This is the first time this will happen, since in the past the rule books were mailed only to the league officers.

If all bowlers would take the time to borrow this book from the captain, study the rules that govern all league bowling, I'm sure it will be a big step towards improving every bowlers game and the understanding of the great sport that it is.

## FOREWORD

Listed in this average book are the names of 2207 bowlers that have compiled an official average during the 1950-1951 season. This is slightly less than the total we had last season, due to many of our bowlers leaving for the armed services, and one of the league secretaries failed to turn in his average cards for his league.

These averages have been compiled in the 7 bowling establishments in our Association namely: Vermilion's Furgason Recreation, Avon Lake Recreation, Broadway Recreation, Rebman Recreation, Saxon Club, Andorka Recreation and Diann Recreation.

The 2207 bowlers, some bowling in more than one league were instrumental in forming 54 leagues and 448 teams.

By breaking down the long list of averages, figures reveal that about 65% of the bowlers were in the 140 to 160 class, and if you are in this group, you are an average bowler.

The honor of having the highest average in the Ass'n, goes to Joseph Ashcraft, bowling in the Avon Lake league he averaged 202, with Alex Black, bowling in the Andorka Classic league giving him a good battle by finishing with 201.

Bowling in the newly organized St. Anthony's league, Andrew Pufnock finished with a 93 average, the lowest listed in our book. If a score of 102 is good for a round of drinks, then Robert Jacobs, bowling in the St. Lads Sports league will have to buy all season, he is the only bowler in the Ass'n to finish the season with a 102 average.

Here is a breakdown of various classes of averages in our association, and the number of bowlers that were in the various groups. Of the 2207 bowlers:

Proof that bowling is a sport for a get together between friends and club members, is the large number of leagues that are in the fraternal class.

In the church leagues we had, Holy Trinity, St. Lads Sports, and the newly organized St. Anthony's. In the fraternal groups we had, Avon Lake Eagles and Kiwanis, VFW# 451, PLAV# 38, B'nai Brith, Lorain Eagles, K. of C., United Polish Club, ELks 1301, American Legion #30, Moose, Italian Mutual, and Liedertafel, Amvets, A.R Sokols,

In the industrial group we had, Fruehauf, B. F. Goodrich, Lorain Journal, Shipyard, National Tube Office, Thew Shovel, Nat Tube Co. Management Club, C. I. O. Shops, Saxon C. I. O. and American Stove.

The 1952, City Handicap Championship Tournament will be held at the Saxon Club.

The new American Bowling Congress rule now in effect governing city tournaments, permits bowlers to bowl in as many City Ass'n tournaments, as they are members of, and they can bowl in all the events. Previous to this season, bowlers could only bowl in the five man event, now they can bowl in the singles and doubles also. The bowler must have bowled at least two thirds of the seasons scheduled games prior to the tournament.

## HINTS FOR ALL OF US

Here are some suggestions that may improve our own game of bowling.

- 1) Borrow the rule book from your team captain, read it over carefully, it may help you understand the game and may some day save you some embarrassing moments.
- 2) Be courteous, the man on the right should bowl first, unless the pins are not set on your alley, wait until he throws first.
- 3) If you must cuss, do it under your nose, or to yourself. Your wife or girl friend probably would not like to hear somebody else do it.
- 4) Don't swear or abuse the pin boys, kindness to them will be repaid with better service.
- 5) If the condition on the alleys are not just right for you, talk to the manager, it may help more than to criticize publicly.
- 6) Help keep the bowling alleys clean. Throw your refuse in the proper containers. Most of the complaints by bowlers on cleanliness of the bowling alleys are uncalled for, the bowler himself makes it unclean. Think of the squad bowling after you. Some evening before a squad starts bowling in league competition, check the alleys, and when you are thru, check them again. Who threw all the butts, matches, etc., on the floor? Not the proprietor.
- 7) Respect the property of others, when using equipment belonging to the management, use it as you would your own.
- 8) Give your fullest co-operation to your league officers. If the secretary asks you for information, give it to him in full. He has a very tough and thankless job to do, and it can be made easier with the bowlers help.
- 9) If you think of ideas that may help the bowling game in our Ass'n, find out when the next meeting will be called, and present it there.
- 10) Rules are made to abide by, obey them.
- 11) Bowling is a sport, and health giving recreation, don't kill yourself trying to beat it, play it for enjoyment.
- 12) If at all possible, take an active part in Association affairs. The Executive Committee of the Lorain Bowling Association, spends many evenings of planning the affairs of the Association for your benefit. There is the City Tournament, the Annual Banquet, the meetings of the Board of Directors, all planned for improving the means of enjoyment of this great game of bowling.
- 13) Don't criticize the Executive Committee publicly, their plans for the bowlers are made with the best intention, if you want to criticize, come to our meetings. At meetings we enjoy criticism. We are all human.

Listed below are the highest 3 game totals and single games rolled in the various leagues in the Association. This is compiled from reports as submitted by your league secretary.

IF

If you can roll your ball right down the alley  
And watch it strike the pocket strong and square;  
If you face the pressure of a rally  
and yet turn in consistent "Strike and Spare";  
If you can bowl and not be tired of bowling  
Or being heckled, don't give away to fouls,  
Or losing, don't let temper stop your rolling  
Especially while the competition howls;  
If your names listed higher in the scoring  
As each succeeding bowling night goes by,  
Remember-that's no reason for ignoring  
The humble efforts of the other guy.  
If you can win a match with score decisive  
And not let triumph spawn a braggard's speech;  
If you can shun remarks that sound derisive  
And always keep your claims within your reach;  
If you can greet important games with relish  
And match the opposition pin for pin,  
You'll find no need to garnish or embellish  
The stories of the matches that you win;  
If you will concentrate on playing fairly,  
If you will roll each ball as best you can,  
If you will lose your temper only rarely  
And finish up as strong as you began,  
If you will shun a braggard's empty prattle  
And keep emotions tightly in a clamp,  
Then my son, you've won just half the battle  
And you'll more than likely finish up a CHAMP.
