The officers of the Executive Committee of the Lorain Bowling Association would like to take this opportunity to wish all bowlers, proprietors and lane managers the best of luck and good bowling for the new season.

TO ALL LEAGUE SECRETARIES, BOWLERS AND
PROPRIETORS OF THE LORAIN BOWLING ASSOCIATION:

With the printing of this official average book, the 37th, of the Lorain Bowling Association, it brings to a close the 1961-62 bowling season.

This past season showed a slight decrease in the number of bowlers but there was an increase in number of leagues and teams. Reason being, there were about 25 leagues made up of two, three and four man teams instead of five man teams.

There were 4491 sanctioned bowlers, including summer league bowlers. There were 99 winter leagues with 1002 teams and 18 summer leagues with 183 teams, making a total of 117 leagues and 1179 teams.

Listed in this book are the names of 4,142 bowlers, giving their highest average for 21 or more games. Also, included in this number are some bowlers who were unsanctioned. Their names will be found on page 10 A.

There was only one award from the American Bowling Congress given to a bowler in Lorain this season. A trophy for bowling a "300" game was presented to James Sandys, who bowled the perfect game on March 6, in the Bob Nagy Classic league at Andorka lanes.

There seemed to be two outstanding bowlers this year. Last year Alex Black Jr. was the bowler with the highest average and Jim Sandys was the runner-up in second place. This year it has changed around. Jim Sandys is high with an average of 208 and Alex Black Jr. is in second with an average of 199. Jim compiled his average while bowling in the Bob Nagy Classic league at Andorka lanes. He also bowled in two other leagues and his composite average for 230 games is 196 plus. Bowling in the Chaszar A league at Croatian Club lanes, he assisted his teammates on the Polansky Market team in setting a league record of 1117 for one game by bowling a 279. He had a chance in that game for another 300 game, but the 4 pin stayed up in the ninth frame after he had rolled 9 strikes. He then struck out.

Alex Black Jr., who joined the Professional Bowlers Association this year and bowled in one tournament is runner-up to Jim with his average of 199. Alex bowled in five leagues and his composite average for 387 games is 196 plus. He has the highest three game series for the year to date, a 750 series bowled in the Bob Nagy Classic league. He also bowled a 704 series in the Steelworkers Open league at Croatian Club lanes. He has been close a few times to the perfect game but there always seems to be one pin that will not fall for him.

Following are a few more bowlers who almost succeeded in rolling the perfect game.

Richard Kardos, a 19 old bowler, bowling in the Bob Nagy Classic league, started with seven strikes in a row and in the 8th frame the 10 pin refused to fall. He made the spare and finished with 4 more strikes for a 279 game.

Mike Amato, bowling in the Rebman Classic league had a jinxed pin in his bid for a 300. He started with 7 strikes in a row, then the 4 pin stayed up in the 8th frame. He then struck out and finished with a 279 game.

Al Horkay, also bowling in the Rebman Classic league, started out for a nice 700 series and a possible 300 game but he attained neither. He started one game with 7 strikes and in the 8th frame the 10 pin (it must have been nailed down) stood up, spoiling his chance for a 300 but he did strike out for a 279 game and a 689 series.

John (Kiki) Olejko was always trying for a 700 series. One try he made was close but a 4-7-9 split spoiled his chances and he finished with a 699 series. A couple of months later he achieved his goal by bowling a first game of 277 after a start of 9 strikes in a row, a spare and another strike for a total of 713 in the Chaszar A league at Croatian Club lanes.

Dom Rebman started out with 10 strikes in a row while bowling in the "Bowl Down Cancer Tournament" at his lanes, but he failed to carry any more strikes, missed in the 11th frame and finished with a 286 game.

Robert Theil bowled the second highest three game series this season, a 729 in the NTC Management league at Rebman's.

Ed Mielcarek bowled a 288 game in the Broadway Open Handicap league at Broadway lanes.

William Zahorec and Malcolm Matheson teamed up and won the handicap event in the 3rd Annual Captain Sponsor Tournament which was held at Rebman Recreation.

Baldo Campana and Jim Sandys won the actual championship in this tournament.

Another first for this season was the winning of the championship in both actual and handicap divisions of the City Tournament by a team sponsored by the Saxon Club.

The Saxon Club team of the Saxon Central B league and captained by Joseph Sanders won both events. It was the first time any Saxon Club team had won a championship in the tournament. Herb (Hap) Binder was the outstanding bowler on the team. He also bowled a nine game total of 2002 pins, including handicap which gave him the All-Events with handicap award.

A pair of young bowlers, Gordon Kachur and Don McKinnon won the doubles handicap event in the City Tournament.

Don Greeley and Ken Tomazic were winners of the doubles actual award.

League Secretaries, Bowlers
and Proprietors:

Frank Letanic, a 146 average bowler was the winner of the singles event and he also won the trophy presented each year by Sheriff Vernon Smith. Frank bowled a total of 291 pins over his average to win this award.

Jack Goodwin of Broadway Lanes won the actual singles event crown.

Emil Felloni was the winner of the actual all events title.

The honored guest at the annual bowlers banquet of the Association was Harry Hessler. He had served the Association in many capacities for a number of years. He had held office of President, Secretary and Executive Director as well as being on the Advisory Board.

A new bowling establishment is being built at the Shoreway Shopping Center in Sheffield Lake. It will be known as Shoreway Lanes and will open approximately August 15th. They will be affiliated with the Lorain Bowling Association.

This will make a total of 10 establishments and 152 lanes in the jurisdiction of the association.

I would like to extend my thanks to the LBA Executive Committee members, Proprietors, league secretaries and team captains for their cooperation during the season. Only through their efforts is it possible to compile this average book and have it printed on time.

Sincerely yours,

Ivan (Bud) Coburn

DELINQUENT BOWLERS - 1961-62 SEASON

The names of bowlers listed below are those for whom I am unable to find a card in my files showing they paid their sanction fee for 1961-62 season.

It is the duty of the team captain to check and make sure that all his bowlers are sanctioned. A team bowling with an unsanctioned bowler forfeits all games won.

It is an ABC Rule that all bowlers who bowl in sanctioned leagues must be sanctioned.

The Lorain Bowling Association operates on the individual membership plan. All bowlers who bowl in leagues sanctioned by the LBA must pay \$1.00 sanction fee. Any bowler who holds an ABC sanction card from an association other than Lorain must pay a fee of 50¢ in order to bowl in leagues sanctioned by the LBA.
