To the Officers and Bowlers of the Lorain Bowling Association:
Gentlemen:

One of the most gratifying experiences that I have ever had, that of being the President of the Lorain Bowling Association, has ended. I would like to extend my thanks to the officers and bowlers of the LBA who have made this past season the great success that it was.

Once again the Lorain Bowling Association showed its true colors on how a strong and most efficient organization can function within the framework of the American Bowling Congress.

My thanks to the committees who with their dedication and sacrifices, ensured a most gratifying 1976-77 season, for all the bowlers of the LBA. I further thank all bowlers who participated in the 700 Tournament, the City Tournament, the Inter-city tournament, and the annual dinner-dance which honors our city champions. Most of all, who can forget the work put into the LBA charter trip which was made to the ABC held in Reno, Nevada. Gentlemen---I thank you.

To our newly elected president Bob Wenzel and his staff I wish you the best of luck. I offer to you and your staff any assistance that I can give.

To the bowlers of the LBA --- Good Bowling!!!

Paul R. Magnus
Paul R. Magnus
President

To all Officers and Bowlers - Lorain B. A.

It is hard for me to reconcile to the fact that this is the 9th average book printed during my terms as your secretary, and that in December I will be beginning my 10th year in that capacity. Through all these years I have given you pretty much the same message, and this year the message continues, with as usual different names.

Counting the summer leagues, there are 150 leagues in the Lorain B.A. comprised of 1702 teams. The total male membership is 7624, 5477 of which are original sanctions and 2147 are multiple participants.

By far and large we are very pleased with the attitude and performances of the secretaries, but there are always those few who accept the responsibility too lightly, and as a result it is the bowler who suffers. The league presidents who are supposedly the watch dogs - the auditors of the league - and as such should protect the rights of the bowlers, are generally performing their positions too complacently. They become interested only when trouble has reared its ugly head. Too late!!! This year one league suffered a loss of \$1,600.00, but because the president didn't do his job, the best the bonding company will pay is \$800.00. Don't let this happen to your league.

This was a season of high scores. There were 3 -'300'- games hit as follows: Jim Czerney on 11/1/76; Mike Krupar on 3/29/77; Jim Regnoni on 3/31/77. 3 -'299'- games were also hit this season as follows: Jerry Horomanski 9/24/76; Bill Nemeth 3/24/77; Ken Tomazic on 2/16/77.

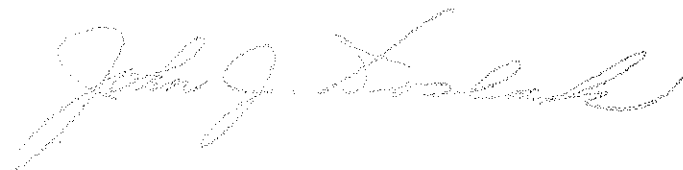

A 793 series rolled by Al Black, Sr. in 1933 was tied twice this season, first by Dane Johnson on 11/9 and duplicated by Craig Cooper on 2/9. This score is the third highest ever rolled in the Lorain B. A.

There were 121 series of 700 or better. This is the highest output of 700's in the recorded history of our association. Leading the list of '700' bowlers is Tim Frederick with a total of 9. The following is a breakdown of 700 scores by lanes -- Broadway 44, Lake Erie 17, Andorka 16, Aquamarine 16, Rebman 13, Creation 9, Saxon 3, Shoreway 3.

Tim Frederick led the association in the average sweepstakes with a final average of 218. Adding to this he had 2 others 200 or better, a 215 and 205. Other 200 average bowlers were: Ken Tomazic 212; Bob Shank 210; Bill Nemeth 208; Jim Regnoni and Jerry Horomanski 207; Tom Whitt and Jim Catanzarite 206; Rusty Watts and Chris Cowie 203; Rick Mutnansky and Dane Johnson 202; Keith Hall (2), Norm Hooker, Bill Schubert, Jim Lavonn, Jim Sanger 201; Norm Hooker, Bill Schubert, Ward Bartlome, Tom Whitt 200.

As usual our thanks go to all presidents and secretaries who did their jobs in a responsible way; to the League Delegates who cared enough to attend the one Council of Delegates meeting required and held each year; to the officers and advisors of the Association who again did such an outstanding job; and last but not least to all the lanes managers for their cooperation.

As of this writing, June 18, 1977 one league - Western Enterprises, whose season ended April 18 - failed to turn in averages. The secretary was given one written and one phone admonition and still she did not reply. I'm sorry for the bowlers of this league because officially they have no averages.

There have been some requests for past records.

This list of high games and series is a reprint from the 1956-57 average book, with this year's records added.

These records were taken from the files of the Lorain Journal and the Lorain Bowling Association. To the best of my knowledge, these are the only ones available.
