**Year 2008 Hall of Fame Inductee**  
**Bowling Performance**  
**Joe Dominguez, Jr.**

In the Dominguez family bowling was a family sport. So it was only natural that ten year old Joe would be introduced to bowling by his father, Joe, Sr. Joe excelled as a junior bowler at North Coast Shoreway Lanes and represented the Lorain AJBC in the Ohio State Junior Bowling Association from 1981-1983. The junior bowling program provided him with very fine bowling fundamentals. He averaged 189 in his first adult league and his love of the sport led him to coaching juniors in the Elks League at Rebman Recreation. With bowling in his veins, he became a LBA advisor in 1991 and an executive director from 1996-1999. In 1997, Joe became co-owner with Brett Locher of North Coast Shoreway Lanes.
