## Early Bowling in the United States

The game of 10 pins evolved from the game of 9 pins. The 9 pin game became classed as gambling after it was taken control of by gamblers and laws were passed in the eastern states to prohibit the 9 pin game.

To get around the law against 9 pins but not the game of bowling, a game called "cocked hats" was created using fewer pins. This game did not take hold and some genius decided to add 1 pin to the 9 pin game and place the pins in a triangle. This circumvented the law and the game took off.

In 1875, the National Bowling Association was formed and created some uniform 10 pin rules and specifications such as a foul line, dead wood removal, gutters, and 60 foot measurement from the foul line to the center of the head pin.

In 1890, the Amateur Bowling Union was organized as a replacement for the National Bowling Association but lack of funds and organizational foresight doomed this union.

The American Bowling Congress was created on September 9, 1895. The ABC's purpose was to elevate the game by adopting a uniform set of player rules and regulations, a perfect game will be scored as a 300, specifications for 16 pound balls, pins, lanes, and related equipment. ABC in fact took over the supervision of the game of 10 pins and created the inaugural ABC Tournament in 1901. The inaugural tournament was held January 8<sup>th</sup> to the 11th, 1901 in Chicago on specially constructed lanes in the Wellsbach building. There were 41 teams from 9 states competing for a prize fund of \$ 1,592.00. The ABC Tournament has been held every year since 1901 except for the WW II years of 1943 to 1945.

ABC matured with awards, rule books, tournament sanctioning and many other facets that are common in the game of 10 pin bowling today.

ABC in 1941 started preserving bowling history and honoring bowling greats and meritorious service by creating the ABC Hall of Fame. In 1984 the Hall of Fame and International Bowling Museum was established in St. Louis, MO.

Other ABC involvements include:

1. Help with forming the American Junior Bowling Congress in 1946  
(Now called Young American Bowling Alliance)
2. Sponsorship of the National Seniors Tournament 1964
3. Forming the first Collegiate Division of the ABC in 1966

ABC continued to be the custodian of the sport of bowling though the last 20 years of the technology revolution in bowling equipment.

The ABC has ceased to exist and the United States Bowling Congress (USBC) has been created starting with the 2005-2006 season.
