The above named officers of the Executive Committee of the Lorain Bowling Association would like to take this opportunity to wish all bowlers, Proprietors and Managers of all bowling lanes the best of luck and good bowling for the new bowling season.

Dear Fellow Bowlers:

I would like to take this opportunity to express my appreciation to the members of the Lorain Bowling Association for the confidence you have placed in me the past two bowling seasons. It has been a pleasure and a great experience as L.B.A. President to have worked with all the fine officers of the Association.

I hope that during my terms in office that I made many friends and I wish to thank each and every one for their fine cooperation. My special thanks to my committees.

To the new officers of the Association I wish to express my good wishes, continued cooperation, good will and fellowship.

The best of luck and good bowling to all.

Sincerely yours,

Ernie Chismadia

To All League Secretaries and Bowlers
of the Lorain Bowling Association:

The Annual average book of the Lorain Bowling Association for the season of 1958-59 contains the names of 3898 sanctioned bowlers showing their highest average for 21 games or more in any league during the winter season.

There were 87 sanctioned leagues composed of 853 teams. In addition, there were 10 sanctioned summer leagues of 97 teams. A total of 950 teams and 97 leagues for the season.

There was a total of 4178 sanctioned bowlers and 24 bowlers who do not have a sanction card on file with the association showing they had paid their sanction fee.

The total number of average cards checked against sanction cards was 5753.

In the highlights of this bowling season, Avon Lake Lanes seem to hold all the records. There were 16 series of 700 or more bowled there, as well as a 300 game by Elmer Reitz, a 299 game by Ken Tomazic, a 289 game by Don Greeley and numerous other high games. Andorka Lanes and Rebman Lanes were credited with two 700 series each and Croatian Club Lanes with one.

The highest three game series this year was bowled by Bob Ksenich who also was the actual All Events Champion of the City Tournament held at Slovak Lanes. Bob bowled a series of 770 in the Guys and Dolls league at the Avon Lake lanes.

John Olah, bowling in the Croatian Social "C" league bowled a 299 game.

Cliff Stiebeling, bowling in Rebman's Kings & Queens league bowled a 299 game.

Al Horkay, in his 717 series in the Rebman Classic league, rolled a 290 game for which he received a belt and buckle award from A.B.C. for eleven strikes in a row.

William Laird, bowling in the Hilevel "C" league at Andorka Lanes, is also a member of the eleven in a row club. He collected 5 pins the first frame and then 11 strikes in a row for a 275 game. He received a belt and buckle from the A.B.C.

Highest average bowler for this season is Larry Tuma. He averaged 209 for 105 games in the Avon Lake Junior "A" league.

Don Greeley tried to pass up Tuma on high average by bowling four 700 series, but failed to do so, finishing the season with an average of 203 for 105 games in the Avon Lake Junior "A" league.

Ken Tomazic almost made the grade by finishing up the season with a 199 average for 96 games, also in the Avon Lake Junior "A" league.

To All League Secretaries and Bowlers
of the Lorain Bowling Association:

Alex Black Jr. finished with an average of 197 for 84 games in the Croatian "A" league at the Croatian Club Lanes.

A new 12 lane establishment has joined the Lorain Bowling Association, and will be open for bowling about August 15, 1959. The new lanes will be known as The Lake Erie Lanes Inc. and are located in Vermilion on Lake Road. The manager of the lanes will be Mr Gerald Super.

I wish to take this opportunity to thank all members of the Executive Committee of the Association, all league secretaries and bowlers of the Lorain Bowling Association for their fine cooperation this past season and wish each and everyone of you Good Luck and Good Bowling for the new season of 1959-60.

Sincerely yours,

Ivan (Bud) Coburn

DELINQUENT BOWLERS - 1958-59 SEASON

The following names are those of bowlers who do not have a sanction card in the files to show they have paid their sanction fee for the 1958-59 season. It is the duty of the team captain to check and make sure all his bowlers are sanctioned. A team bowling with an unsanctioned bowler forfeits all games won. It is an ABC rule that all bowlers who bowl in sanctioned leagues must be sanctioned.
